## CHECK IN—4:00PM

The door code will allow you to get into to the property for the duration of your stay.
We will do everything possible to make sure your unit is ready by 4:00pm. Yosemite Grand Properties does not want to do a RUSHED job to accomplish this. Sometime our units check out and check in on the same day, creating a tremendous strain on our staff. On these very rare occasions, there may be a slight delay.

## CHECK OUT—10:00AM

Management requests that this time be observed, as our housekeepers are waiting to prepare your unit for the guests arriving at the designated time. Please leave the house in the condition it was when you checked in; leaving soiled linens in the tub/shower and clean counter tops, stoves, tables and dishes. Departure must be no later than 10:00am. Be sure to check your unit for forgotten items

## CONDITION OF YOUR UNIT UPON ARRIVAL AND DEPARTURE

Yosemite Grand Properties takes pride in providing you with accommodations not usually found in mountain areas. Before your arrival, all units are checked and expected to be complete and in good order. Should you need anything, please notify us so we may immediately assist you. Your comfort is very important to us.

Our homes are designed and licensed for a designated number of registered guests, and **no more**. Please do not move furniture, lamps, or accessories. Should your party rent two or more units, please do not move property from one unit to the other. This ensures all units have the necessary dishes, glasses, etc. Please do not remove blankets, pillows, etc. from the facilities for your day use. You will be charged for any missing items; we would really like to avoid this problem.

- Your personal care products (shampoo, conditioner, toothbrush, toothpaste, etc.)
- Cooking oil, paper towels, aluminum foil for BBQ and groceries.

**TELEPHONES**

Verizon and AT&T should work in Yosemite Valley. To better service our guest, we provide house phone that you can use during your stay. The house phone number is **209-375-6380**. Please don't make any international calls. If you do, you will be charged $10/minute.

**BEDROOM CONFIGURATION**

Bedroom one: One queen size bed and one twin Trundle bed
Bedroom two: One queen size bed
Living room: One Queen sofa bed

**FIRE**

In case of fire, use the closest exterior door to exit the building. Note that there are fire exit maps in each bedroom and that fire extinguishers are available in the kitchen. Please check their location and read the specific directions for their use.

**WILDLIFE**

This is a bear habitat! Please do not feed the animals or leave food or trash in either your car or anywhere else outside. By keeping these areas clean, it is less likely that you will have surprise visitors. Remember that we are the ones who are the strangers. Avoid any contact with wildlife; this can be dangerous.

**Bears**: Black bears can often be seen in the Yosemite West area. (We do not have grizzlies in Yosemite.) They are generally not dangerous unless the young

another one around the next curve. They are everywhere. Again, as with bears, just keep your distance and do not attempt to feed them.

**Coyotes**: We have LOTS of coyotes. As with bears, they are only interested in one thing; FOOD! They can often be seen prowling the area looking for handouts or small mammals for a meal.

**Insects and mice**: Wawona is in a wild area. We are surrounded by forest and national park on all borders. As such, mice, chipmunks and insects are pervasive. Although we take every measure to see you are not disturbed by an invading mouse we cannot 100% guarantee that you will not see one in your unit. If so, let us know and we will set traps appropriately.

Please drive slowly and watch out for deer and other animals crossing highways. The speed limit for Yosemite National Park varies, so pay attention to the speed limit signs; YNP law enforcement does enforce speed limits very closely.

## NOISE

Wawona is a PRIVATE RESIDENTIAL area, with residential restrictions. As a licensed facility of the County of Mariposa we are required to follow rules set forth by this regulating agency, of which one is to enforce quiet hours between 9:00pm and 8:00am. Sound carries, so please cooperate by making your stay and your neighbors' stay as peaceful and enjoyable as possible. Enjoy yourself, but after 9:00pm please avoid noise.

## LEGAL/POLICE

Wawona is located within the gates of one of the most beautiful parks in the world. As for police, our first response is the Federal Park Rangers. There is usually a 1-hour wait for emergency response from the Mariposa Sheriff's Office. In the event the Rangers are unavailable, call 911.

209-347-6333
yosemitegrand@yahoo.com

Emergency medical services may be provided by the Park Rangers, and Medical Helicopters are available from the Valley.

## WINTER CONDITIONS

***DRIVE SLOWLY, DRIVE SAFELY, CARRY CHAINS***

Do not ruin your stay in Yosemite National Park. Every winter many, many accidents occur because visitors do not know how to drive under winter and snowy conditions. Be aware of other drivers; many have never driven on snowy and icy roads. To avoid skids and accidents, brake slowly. When going downhill, your car weighs twice as much and you may have serious problems stopping. Think ahead!

## PARKING AND SNOW REMOVAL

The Director of Public Works, pursuant to County Code, Section 10.08.110, has declared that parking is not permitted on the roadway during snow removal periods, which may exist between September and July. Any vehicle parked on the street during snow removal greatly increases road hazards and prevents the snow removal equipment from operating. Your vehicle WILL be towed by the County. Please help us in preventing this unfortunate situation.

## TRASH REMOVAL

If you need trash removed please contact our staff. Please do not leave the trash outdoors, this will attract bears. **(For staff phone #'s see above)**

## INTERRUPTION OF SERVICES

**Power** – Again, we are a remote community. During strong storms power sometimes goes off. Should power fail, lanterns and flashlights are provided at the house.

## PURCHASING FOOD AND OTHER SUPPLIES

***Don't forget your Groceries!!***

**Via 41**: Vons and Raley's Markets in Oakhurst offer a large selection.

**Via 120 or 140**: The closest supermarkets to Yosemite are located in Oakdale, Groveland and Mariposa.

**Valley & Wawona**: Convenience stores offer a selection of fresh meats as well as other items. In Yosemite Valley, the grocery store is located in Yosemite Village at the far eastern end of the valley.

## RESTAURANTS

Here are some suggestions of places to dine elsewhere in the park:

**Valley floor**: Ahwahnee Hotel – Famous gourmet restaurant – Reservations and dress code required for dinner only. (209) 372-1407

**Yosemite lodge** – Three restaurants offering casual dining – Reservations not required. (209) 372-1281

**Curry village** (Summer only) – There's the pizza deck (surprisingly good pizza), and the Curry Buffet, an all-you-can-eat buffet featuring hot food, salads and desserts.

**Degnan's deli** – In Yosemite Village, Degnan's features GREAT sandwiches specially wrapped for stowing in your pack for hiking. In Yosemite Village near the grocery store. During summer, Degnan's also features pizza in the upstairs loft.

**Wawona**: Wawona Hotel – Casual dining – Reservations not required. (209) 375-1425

**Outside park gates**: A variety of restaurants offer casual to 5-star dining. Some options are the Narrow Gauge Inn and Tenaya Lodge.

5. No outside fires are allowed
6. Use caution when lighting barbecues
7. No vehicles parked on the street during snowy weather (November through May)
8. Always carry snow chains between November and May
9. Do not put glass in the trash compactors.
10. Lock outside doors, turn off lights, and turn down heat (68 degrees) when you leave for the day
11. Children are not to use sleds in the streets
12. Food should not be left in vehicles or outside of accommodations; this is an invitation for bears to destroy your property in search of food.
13. There is no daily housekeeping service.
14. No pets are allowed in any of our units.
15. The **“Principal Guest”** (person making the reservation) is responsible for monitoring and informing all party members of their responsibilities.
16. Please be aware Yosemite West is a Private Development with private homes so please do not trespass on property or knock on doors asking for directions.
